Ordering from Newsletter

This issue celebrates our second anniversary issue, that is the first issue was published in the April 2009, with four more views in colour every issue now since this time last year.

We have had a fair spread of colour views from both Martin Piggott and Ernie Charman, being generally good views, although of the latter the negatives have shown they have suffered over the last 35 years or so.

For this month we have made a start on the colour slides taken from our renown photographer of the Brighton Trams, Jack Turley. These as always are his own originals, only used in our own club presentations.

Newsletter is composed towards the end of every month, taking orders up to the 5th and monthly despatch after the 7th of the next month with a new issue, All orders (single month or multiples) are honoured, late orders sent with the next month run. Please ONLY send the flat rate fee once per order, not per Newsletter.
